The Tunica Travelers had "meet #3" summer 2002. Pictured are some of the people you "see" post in the forum and in chat. These are absolutely some of the finest, nicest, friendliest people you could possibly ever meet. Many of us met for the first time.. Not everyone is pictured. Really hard to get everyone together and then to get them to sit still is another task.

Join us in [chat](#) on Saturday and Wednesday nights at 7pm Tunica Time

Check out the [forum](#) for trip reports and lots of friendly advise and chuckles.
